	Get an adjustment summary	X	
Accounts payable: Adjustment tax entries	List adjustment tax entries	X	
	Get an adjustment tax entry	X	
Accounts payable: Adjustments	List adjustments	X	
	Create an adjustment		X
	Get an adjustment	X	
	Update an adjustment		X
	Delete an adjustment		X
Accounts payable: Advance lines	List advance lines	X	
	Get an advance line	X	
	Creates advance lines		X
	Update advance lines		X
	Delete advance lines		X
Accounts payable: Advances	List advances	X	
	Create an advance		X
	Get an advance	X	
	Update an advance		X
	Delete an advance		X
Accounts payable: Bill lines	List bill lines	X	
	Create bill lines		X
	Get a bill line	X	
	Update a bill line		X
	Delete a bill line		X
Accounts payable: Bill summaries	List bill summaries	X	
	Get a bill summary	X	
Accounts payable: Bill tax entries	List bill tax entries	X	
	Get a bill tax entry	X	
Accounts payable: Bills	List bills	X	
	Create a bill		X
	Get a bill	X	
	Update a bill		X
	Delete a bill		X
Accounts payable: Joint payees	List joint payees	X	
	Create a joint payee		X
	Get a joint payee	X	
	Update a joint payee		X
	Delete a joint payee		X
Accounts payable: Payment details	List payment details	X	
	Get payment details	X	
Accounts payable: Payment lines	List payment lines	X	
	Get a payment line	X	
Accounts payable: Payments	List payments	X	
	Create a payment		X
	Get a payment	X	
	Update a payment		X
	Delete a payment		X
	List summaries	X	
	Create a summary		X
	Get a summary	X	

Accounts payable: Summaries	Update a summary		X
	Delete a summary		X
Accounts payable: Terms	List terms	X	
	Create a term		X
	Get a term	X	
	Update a term		X
	Delete a term		X
Accounts payable: Vendor account groups	Get a vendor account group	X	
	Delete a vendor account group		X
	Update a vendor account group		X
	List vendor account groups	X	
	Create a vendor account group		X
Accounts payable: Vendor account numbers	List vendor account numbers	X	
	Create a vendor account number		X
	Get a vendor account number	X	
	Update a vendor account number		X
	Delete a vendor account number		X
Accounts payable: Vendor bank file setups	List vendor bank file setup objects	X	
	Get a vendor bank file setup object	X	
Accounts payable: Vendor contacts	List vendor contacts	X	
	Create a vendor contact		X
	Get a vendor contact	X	
	Update a vendor contact		X
	Delete a vendor contact		X
Accounts payable: Vendor email templates	List vendor email templates	X	
	Create a vendor email template		X
	Get a vendor email template	X	
	Update a vendor email template		X
	Delete a vendor email template		X
Accounts payable: Vendor payment providers	List vendor payment providers	X	
	Create a vendor payment provider		X
	Get a vendor payment provider	X	
	Update a vendor payment provider		X
Accounts payable: Vendor restricted departments	List vendor restricted departments	X	
	Get a vendor restricted department	X	
Accounts payable: Vendor restricted locations	List vendor restricted locations	X	
	Get a vendor restricted location	X	
Accounts payable: Vendor types	List vendor types	X	
	Create a vendor type		X
	Get a vendor type	X	
	Update a vendor type		X
	Delete a vendor type		X
Accounts payable: Vendors	List vendors	X	
	Create a vendor		X
	Get a vendor	X	
	Update a vendor		X
	Delete a vendor		X
	Approve a vendor		X
	Decline a vendor		X
Accounts receivable: Account labels	List account labels	X

Accounts receivable: Invoice summaries	Get an invoice summary	X	
	List invoice tax entries	X	
Accounts receivable: Invoice tax entries	Get an invoice tax entry	X	
	List invoices	X	
	Create an invoice		X
	Get an invoice	X	
	Update an invoice		X
Accounts receivable: Invoices	Delete an invoice		X
	List recurring invoice lines	X	
Accounts receivable: Recurring invoice lines	Get a recurring invoice line	X	

Accounts receivable: Recurring invoice tax entries	List recurring invoice tax entries	X	
	Get a recurring invoice tax entry	X	
Accounts receivable: Recurring invoices	List recurring invoices	X	
	Create a recurring invoice		X
	Get a recurring invoice	X	
	Update a recurring invoice		X
	Delete a recurring invoice		X
Accounts receivable: Revenue recognition templates	List revenue recognition templates	X	
	Create a revenue recognition template		X
	Get a revenue recognition templates	X	
	Update a revenue recognition template		X
	Delete a revenue recognition template		X
Accounts receivable: Shipping methods	List shipping methods	X	
	Create a shipping method		X
	Get a shipping method	X	
	Update a shipping method		X
	Delete a shipping method		X
Accounts receivable: Summaries	List summaries	X	
	Create a summary		X
	Get a summary	X	
	Update a summary		X
	Delete a summary		X
Accounts receivable: Terms	List terms	X	
	Create a term		X
	Get a term	X	
	Update a term		X
	Delete a term		X
Accounts receivable: Territories	List territories	X	
	Create a territory		X
	Get a territory	X	
	Update a territory		X
	Delete a territory		X
Cash management: Bank accounts	Get a bank account	X	
Cash management: Bank transaction rule filter attributes	List bank transaction rule filter attributes	X	
	Get a bank transaction rule filter attribute	X	
Cash management: Bank transaction rule group attributes	List bank transaction rule group attributes	X	
	Get a bank transaction rule group attribute	X	
Cash management: Bank transaction rule maps	List bank transaction rule maps	X	
	Get a bank transaction rule map	X	
	Delete a bank transaction rule map		X
Cash management: Bank transaction rule match attributes	List bank transaction rule match attributes	X	
	Get a bank transaction rule match attribute	X	
Cash management: Bank transaction rule sets	List bank transaction rule sets	X	
	Create a bank transaction rule set		X
	Get a bank transaction rule set	X	
	Update a bank transaction rule set		X
	Delete a bank transaction rule set		X
Cash management: Bank transaction rules	List bank transaction rules	X	
	Create a bank transaction rule		X
	Get a bank transaction rule	X	
	Update a bank transaction rule		X
	Delete a bank transaction rule		X
Cash management: Checking accounts	Get a checking account	X	
	Create a checking account		X
	Update a checking account		X
	Delete a checking account		X
	List checking accounts	X	
Cash management: Credit card accounts	List credit card accounts	X	
	Create a credit card account		X
	Get a credit card account	X	
	Update a credit card account		X
	Delete a credit card account		X

Cash management: Credit card transaction line templates	List credit card transaction line templates	X	
	Get a credit card transaction line template	X	
Cash management: Credit card transaction lines	List credit card transaction lines	X	
	Get a credit card transaction line	X	
Cash management: Credit card transaction tax entries	List credit card transaction tax entries	X	
	Get a credit card transaction tax entry	X	
Cash management: Credit card transaction templates	List credit card transaction templates	X	
	Create a credit card transaction template		X
	Get a credit card transaction template	X	
	Update a credit card transaction template		X
	Delete a credit card transaction template		X
Cash management: Credit card transactions	List credit card transactions	X	
	Create a credit card transaction		X
	Get a credit card transaction	X	
	Update a credit card transaction		X
	Delete a credit card transaction		X
	Reverse a credit card transaction		X
Cash management: Deposit details	List deposit details	X	
	Get a deposit detail	X	
Cash management: Deposit lines	List deposit lines	X	
	Get a deposit line	X	
Cash management: Deposits	List deposits	X	
	Create a deposit		X
	Get a deposit	X	
	Reverse a deposit		X
Cash management: Financial institutions	List financial institutions	X	
	Create a financial institution		X
	Get a financial institution	X	
	Update a financial institution		X
	Delete a financial institution		X
Cash management: Journal entry line templates	List journal entry line templates.	X	
	Get a journal entry line template	X	
Cash management: Journal entry templates	List journal entry templates	X	
	Create a journal entry template		X
	Get a journal entry template	X	
	Update a journal entry template		X
	Delete a journal entry template		X
Cash management: Other receipt tax entries	List other receipts tax entries	X	
	Get other receipt tax entries	X	
Cash management: Other receipts	List other receipt objects	X	
	Create an other receipts object		X
	Get an other receipts object	X	
	Update an other receipts object		X
	Delete an other receipts object		X
	Reverse an other receipts object		X
Cash management: Other receipts lines	List other receipts lines	X	
	Get an other receipts line	X	
Cash management: Payment provider bank accounts	List payment provider bank accounts	X	
	Create a payment provider bank account		X
	Get a payment provider bank account	X	
	Update a payment provider bank account		X
Cash management: Payment providers	List payment providers	X	
	Get a payment provider	X	
Cash management: Provider payment methods	List provider payment methods	X	
	Get a provider payment method	X	
Cash management: Savings accounts	List savings accounts	X	
	Create a savings account		X
	Get a savings account	X	
	Update a savings account		X
	Delete a savings account		X
Common: Allowed operations	Returns allowed operations for specified objects.	X	
Common: Composite requests	Send a composite request		X

Common: Models	Get an object model definition	X	
Common: Query	Query an object	X	
Common: System views	Get a system view	X	
Common: User views	List user views	X	
	Create a user view		X
	Get a user view	X	
	Update a user view		X
	Delete a user view		X
Company config: Affiliate entities	List affiliate entities	X	
	Get an affiliate entity	X	
Company config: Affiliate entity groups	List affiliate entity groups	X	
	Create an affiliate entity group		X
	Get an affiliate entity group	X	
	Update an affiliate entity group		X
	Delete an affiliate entity group		X
Company config: Attachment folders	List folders	X	
	Create a folder		X
	Get a folder	X	
	Update a folder		X
	Delete a folder		X
Company config: Attachments	List attachments	X	
	Create an attachment		X
	Get an attachment	X	
	Update an attachment		X
	Delete an attachment		X
Company config: Classes	List classes	X	
	Create a class		X
	Get a class	X	
	Update a class		X
	Delete a class		X
Company config: Contacts	List contacts	X	
	Create a contact		X
	Get a contact	X	
	Update a contact		X
	Delete a contact		X
Company config: Department group members	List department group members	X	
	Get a department group member	X	
Company config: Department groups	List department groups	X	
	Create a department group		X
	Get a department group	X	
	Update a department group		X
	Delete a department group		X
Company config: Departments	List departments	X	
	Create a department		X
	Get a department	X	
	Update a department		X
Company config: Dimensions	List dimensions	X	
Company config: Document sequence rollovers	List document sequence rollovers	X	
	Get a document sequence rollover	X	
Company config: Document sequences	List document sequences	X	
	Create a document sequence		X
	Get a document sequence	X	
	Update a document sequence		X
	Delete a document sequence		X
Company config: Earning types	List earning types	X	
	Create an earning type		X
	Get an earning type	X	
	Update an earning type		X
	Delete an earning type		X
	List email templates	X	
	Create an email template		X

Company config: Email templates	Get an email template	X	
	Update an email template		X
	Delete an email template		X
Company config: Employee bank file setups	List employee bank file setups	X	
	Get an employee bank file setup	X	
Company config: Employee rates	List employee rates	X	
	Get an employee rate	X	
	Delete an employee rate		X
Company config: Employee types	List employee types	X	
	Create an employee type		X
	Get an employee type	X	
	Update an employee type		X
	Delete an employee type		X
Company config: Employees	List employees	X	
	Create an employee		X
	Get an employee	X	
	Update an employee		X
	Delete an employee		X
Company config: Entities	List entities	X	
	Create an entity		X
	Get an entity	X	
	Update an entity		X
	Delete an entity		X
Company config: Exchange rate lines	List exchange rate lines	X	
	Create an exchange rate line		X
	Get an exchange rate line	X	
	Update an exchange rate line		X
	Delete an exchange rate line		X
Company config: Exchange rate types	List exchange rate types	X	
	Create an exchange rate type		X
	Get an exchange rate type	X	
	Update an exchange rate type		X
	Delete an exchange rate type		X
Company config: Exchange rates	List exchange rates	X	
	Create an exchange rate		X
	Get an exchange rate	X	
	Update an exchange rate		X
	Delete an exchange rate		X
Company config: Get next value	Get next sequence value	X	
Company config: Location group members	List	X	
	Get a location group member	X	
Company config: Location groups	List location groups	X	
	Create a location group		X
	Get a location group	X	
	Update a location group		X
	Delete a location group		X
Company config: Locations	List locations	X	
	Create a location		X
	Get a location	X	
	Update a location		X
	Delete a location		X
Company config: Permissions	List permissions	X	
	Get a permission	X	
Company config: Role permission assignments	List role permission assignments	X	
	Get a role permission assignment	X	
	Delete a role permission assignment		X
Company config: Role user group maps	List role user group maps	X	
	Get a role user group map	X	
Company config: Role user maps	List role user maps	X	
	Get a role user map	X	
	List roles	X	
	Create a role		X

Company config: Roles	Get a role	X	
	Update a role		X
	Delete a role		X
Company config: User groups	List user groups	X	
	Create a user group		X
	Get a user group	X	
	Update a user group		X
	Delete a user group		X
Company config: Users	List users	X	
	Create a user		X
	Get a user	X	
	Update a user		X
	Delete a user		X
Construction: Accumulation types	List accumulation types	X	
	Create an accumulation type		X
	Get an accumulation type	X	
	Update an accumulation type		X
	Delete an accumulation type		X
Construction: Change request lines	List change request lines	X	
	Get a change request line	X	
Construction: Change request statuses	List change request statuses	X	
	Create a change request status		X
	Get a change request status	X	
Construction: Change request statuses	Update a change request status		X
	Delete a change request status		X
Construction: Change request types	List change request types	X	
	Create a change request type		X
	Get a change request type	X	
	Update a change request type		X
	Delete a change request type		X
Construction: Change requests	List change requests	X	
	Create a change request		X
	Get a change request	X	
	Update a change request		X
	Delete a change request		X
Construction: Employee positions	List employee positions	X	
	Create an employee position		X
	Get an employee position	X	
	Update an employee position		X
	Delete an employee position		X
Construction: Labor classes	List labor classes	X	
	Create a labor class		X
	Get a labor class	X	
	Update a labor class		X
	Delete a labor class		X
Construction: Labor shifts	List labor shifts	X	
	Create a labor shift		X
	Get a labor shift	X	
	Update a labor shift		X
	Delete a labor shift		X
Construction: Labor unions	List labor unions	X	
	Create a labor union		X
	Get a labor union	X	
	Update a labor union		X
	Delete a labor union		X
Construction: Project change orders	List project change orders	X	
	Create a project change order		X
	Get a project change order	X	
	Update a project change order		X
	Delete a project change order		X
	List project contract line entries	X	
	Get a project contract line entry	X	

Construction: Project contract line entries	Delete a project contract line entry		X
Construction: Project contract lines	List project contract lines	X	
	Create a project contract line		X
	Get a project contract line	X	
	Update a project contract line		X
	Delete a project contract line		X
Construction: Project contract types	List project contract types	X	
	Create a project contract type		X
	Get a project contract type	X	
	Update a project contract type		X
	Delete a project contract type		X
Construction: Project contracts	List project contracts	X	
	Create a project contract		X
	Get a project contract	X	
	Update a project contract		X
	Delete a project contract		X
Construction: Project estimate lines	List project estimate lines	X	
	Get a project estimate line	X	
Construction: Project estimate types	List project estimate types	X	
	Create a project estimate type		X
	Get a project estimate type	X	
	Update a project estimate type		X
	Delete a project estimate type		X
Construction: Project estimates	List project estimates	X	
	Create a project estimate		X
	Get a project estimate	X	
	Update a project estimate		X
	Delete a project estimate		X
Construction: Rate table accounts payable lines	List rate table accounts payable lines	X	
	Get a rate table accounts payable line	X	
Construction: Rate table credit card lines	List rate table credit card lines	X	
	Get a rate table credit card line	X	
Construction: Rate table employee expense lines	List rate table employee expense lines	X	
	Get a rate table employee expense line	X	
Construction: Rate table journal lines	List rate table journal lines	X	
	Get a rate table journal line	X	
Construction: Rate table purchasing lines	List rate table purchasing lines	X	
	Get a rate table purchasing line	X	
Construction: Rate table timesheet lines	List rate table timesheet lines	X	
	Get a rate table timesheet line	X	
Construction: Rate tables	List rate tables	X	
	Create a rate table		X
	Get a rate table	X	
	Update a rate table		X
	Delete a rate table		X
Construction: WIP periods	List WIP periods	X	
	Create a WIP period		X
	Get a WIP period	X	
	Update a WIP period		X
	Delete a WIP period		X
Construction: WIP projects	List WIP projects	X	
	Get a WIP project	X	
Construction: WIP setup accounts	List WIP setup accounts	X	
	Get a WIP setup account	X	
Construction: WIP setups	List WIP setups	X	
	Create a WIP setup		X
	Get a WIP setup	X	
	Update a WIP setup		X
	List billing price lists	X	
	Create a billing price list		X
	Get a billing price list	X	
	Update a billing price list		X

Contracts: Billing price lists	Delete a billing price list		X
	List billing template lines	X	
Contracts: Billing template lines	Get a billing template entry	X
