

## Available Procore APIs

Category	Resource	API Endpoint	Export	Import
Company Admin: Company Settings	Companies	List companies	X	
Company Admin: Company Settings	Company configurations	Show company configuration	X	
Company Admin: Company Settings	Company offices	Create company office		X
Company Admin: Company Settings	Company offices	Delete a company office		X
Company Admin: Company Settings	Company offices	List company offices	X	
Company Admin: Company Settings	Company offices	Show company office	X	
Company Admin: Company Settings	Company offices	Update company office		X
Company Admin: Company Settings	Company projects	List company's projects	X	
Company Admin: Company Settings	Company schedule	Return company schedule summary	X	
Company Admin: Company Settings	Company schedule resources	List schedule resources	X	
Company Admin: Company Settings	Company security settings	Show company security settings	X	
Company Admin: Company Settings	Company settings	Delete company logo		X
Company Admin: Company Settings	Company settings	Update company's logo		X
Company Admin: Company Settings	Concierge	Update concierge parameters		X
Company Admin: Company Settings	Construction volume	Send urgent error		X
Company Admin: Company Settings	Operations	Get operation details	X	
Company Admin: Company Settings	Operations	List operations	X	
Company Admin: Company Settings	Personal settings	Bulk create/update ui flags		X
Company Admin: Company Settings	Personal settings	Returns avatar of the current user	X	
Company Admin: Company Settings	Programs	Create program		X
Company Admin: Company Settings	Programs	Delete program		X
Company Admin: Company Settings	Programs	List programs	X	
Company Admin: Company Settings	Programs	Show program	X	
Company Admin: Company Settings	Programs	Update program		X
Company Admin: Company Settings	Project bid types	Create project bid type		X
Company Admin: Company Settings	Project bid types	Delete project bid type		X
Company Admin: Company Settings	Project bid types	List project bid types	X	
Company Admin: Company Settings	Project bid types	Show project bid type	X	
Company Admin: Company Settings	Project bid types	Update project bid type		X
Company Admin: Company Settings	Project owner types	Create project owner type		X
Company Admin: Company Settings	Project owner types	Delete project owner type		X
Company Admin: Company Settings	Project owner types	List project owner types	X	
Company Admin: Company Settings	Project owner types	Show project owner type	X	
Company Admin: Company Settings	Project owner types	Update project owner type		X
Company Admin: Company Settings	Project regions	Create project region		X
Company Admin: Company Settings	Project regions	Delete project region		X
Company Admin: Company Settings	Project regions	List project regions	X	
Company Admin: Company Settings	Project regions	Show project region	X	
Company Admin: Company Settings	Project regions	Update project region		X
Company Admin: Company Settings	Project stages	Create project stage		X
Company Admin: Company Settings	Project stages	Delete project stage		X
Company Admin: Company Settings	Project stages	List project stages	X	
Company Admin: Company Settings	Project stages	Show project stage	X	
Company Admin: Company Settings	Project stages	Update project stage		X
Company Admin: Company Settings	Project types	Create project type		X
Company Admin: Company Settings	Project types	Delete project type		X
Company Admin: Company Settings	Project types	List project types	X	
Company Admin: Company Settings	Project types	Show project type	X	
Company Admin: Company Settings	Project types	Update project type		X
Company Admin: Company Settings	Roles	Delete company role		X
Company Admin: Company Settings	Roles	List company roles	X	
Company Admin: Company Settings	Roles	Patch company role		X
Company Admin: Company Settings	Roles	Post company role		X
Company Admin: Company Settings	Roles	Reorder company role		X
Company Admin: Company Settings	Submittal statuses	List submittal statuses	X	
Company Admin: Company Settings	Submittal types	List submittal types	X	
Company Admin: Company Settings	Support pins	Create support pin		X
Company Admin: Company Settings	Support pins	Fetch active support pin	X	
Company Admin: Company Settings	Trades	Create trade		X
Company Admin: Company Settings	Trades	List trades	X	
Company Admin: Company Settings	Trades	Show trade	X	
Company Admin: Company Settings	Work classification: Company level	Create classification		X
Company Admin: Company Settings	Work classification: Company level	Delete classification		X
Company Admin: Company Settings	Work classification: Company level	List all classification	X	
Company Admin: Company Settings	Work classification: Company level	Show classification	X	
Company Admin: Company Settings	Work classification: Company level	Update classification		X
Company Admin: Company Settings	Work classification: Project level	Create a new classification		X
Company Admin: Company Settings	Work classification: Project level	Create company classifications for project		X

## Available Procore APIs

Category	Resource	API Endpoint	Export	Import
Company Admin: Company Settings	Work classification: Project level	Delete a classification		X
Company Admin: Company Settings	Work classification: Project level	List all classifications	X	
Company Admin: Company Settings	Work classification: Project level	Show classification	X	
Company Admin: Company Settings	Work classification: Project level	Update a classification		X
Company Admin: Company Settings	Work classification: Project level	Update all classification		X
Company Admin: Custom Configurable Tools	Configurable field sets	Create configurable field sets		X
Company Admin: Custom Configurable Tools	Configurable field sets	Delete configurable field set		X
Company Admin: Custom Configurable Tools	Configurable field sets	Duplicate a configurable field set		X
Company Admin: Custom Configurable Tools	Configurable field sets	Find configurable field set by index	X	
Company Admin: Custom Configurable Tools	Configurable field sets	List configurable field sets	X	
Company Admin: Custom Configurable Tools	Configurable field sets	Show configurable field set	X	
Company Admin: Custom Configurable Tools	Configurable field sets	Update configurable field set		X
Company Admin: Custom Configurable Tools	Correspondences	Create generic tool		X
Company Admin: Custom Configurable Tools	Correspondences	Create generic tool item		X
Company Admin: Custom Configurable Tools	Correspondences	Delete generic tool item		X
Company Admin: Custom Configurable Tools	Correspondences	List generic tool items	X	
Company Admin: Custom Configurable Tools	Correspondences	List generic tools	X	
Company Admin: Custom Configurable Tools	Correspondences	Show generic tool item	X	
Company Admin: Custom Configurable Tools	Correspondences	Update generic tool		X
Company Admin: Custom Configurable Tools	Correspondences	Update generic tool item		X
Company Admin: Custom Configurable Tools	Custom fields	Get custom field data types	X	
Company Admin: Custom Configurable Tools	Custom fields	List custom field definitions	X	
Company Admin: Custom Configurable Tools	Custom fields	List custom field LOV entries	X	
Company Admin: Custom Configurable Tools	Custom fields	List custom field metadata	X	
Company Admin: Custom Configurable Tools	Custom fields	List custom field sections	X	
Company Admin: Custom Configurable Tools	Custom fields	Show custom field definition	X	
Company Admin: Custom Configurable Tools	Resource planning custom fields	Create custom field		X
Company Admin: Custom Configurable Tools	Resource planning custom fields	Delete custom field		X
Company Admin: Custom Configurable Tools	Resource planning custom fields	Get all custom fields	X	
Company Admin: Custom Configurable Tools	Resource planning custom fields	Update custom field		X
Company Admin: Project Level Configuration	Links	Create link		X
Company Admin: Project Level Configuration	Links	Delete link		X
Company Admin: Project Level Configuration	Links	List links	X	
Company Admin: Project Level Configuration	Links	Show link	X	
Company Admin: Project Level Configuration	Links	Update link		X
Company Admin: Project Level Configuration	Open items	Get my open items statistics	X	
Company Admin: Project Level Configuration	Open items	Get open items statistics	X	
Company Admin: Users & Permissions	Permissions	Show permission manifest	X	
Construction Financials: Budget	Advanced forecasting	Get advanced forecasting rows of a project	X	
Construction Financials: Budget	Advanced forecasting	Update advanced forecasting rows		X
Construction Financials: Budget	Budget	Create a budget lock		X
Construction Financials: Budget	Budget	Delete budget lock		X
Construction Financials: Budget	Budget	Show budget metadata	X	
Construction Financials: Budget	Budget change	Create a budget change		X
Construction Financials: Budget	Budget change	Delete a budget change		X
Construction Financials: Budget	Budget change	Get information of a budget change	X	
Construction Financials: Budget	Budget change	List budget change summaries	X	
Construction Financials: Budget	Budget change	Update information of a budget change		X
Construction Financials: Budget	Budget details	List budget details	X	
Construction Financials: Budget	Budget details	Create budget line item		X
Construction Financials: Budget	Budget line items	Create budget line item		X
Construction Financials: Budget	Budget line items	Delete budget line item		X
Construction Financials: Budget	Budget line items	Show budget line item	X	
Construction Financials: Budget	Budget line items	Sync budget line items		X
Construction Financials: Budget	Budget line items	Update budget line item		X
Construction Financials: Budget	Budget modifications	Create budget modification		X
Construction Financials: Budget	Budget modifications	Delete budget modification		X
Construction Financials: Budget	Budget modifications	List budget modifications	X	
Construction Financials: Budget	Budget modifications	Show budget modification	X	
Construction Financials: Budget	Budget modifications	Update budget modification		X
Construction Financials: Budget	Budget views	List budget views	X	
Construction Financials: Budget	Budget view snapshots	Create a budget view snapshot		X
Construction Financials: Budget	Budget view snapshots	List budget view snapshots	X	
Construction Financials: Budget	Manual forecast line items	Create a manual forecast line item		X
Construction Financials: Budget	Manual forecast line items	Delete a manual forecast line item		X
Construction Financials: Budget	Manual forecast line items	List manual forecast line items	X	
Construction Financials: Budget	Manual forecast line items	Update a manual forecast line item		X
Construction Financials: Change Events	Change events	Create change event		X

## Available Procore APIs

Category	Resource	API Endpoint	Export	Import
Construction Financials: Change Events	Change events	Delete change event		X
Construction Financials: Change Events	Change events	List change events	X	
Construction Financials: Change Events	Change events	Show change event	X	
Construction Financials: Change Events	Change events	Update change event		X
Construction Financials: Change Events	Change event statuses	List change event statuses	X	
Construction Financials: Change Events	Change event statuses	Update a change event status		X
Construction Financials: Change Events	Change event types	List change event types	X	
Construction Financials: Change Events	Change event types	Update a change event type		X
Construction Financials: Change Orders	Change order packages	Create change order package		X
Construction Financials: Change Orders	Change order packages	List change order packages	X	
Construction Financials: Change Orders	Change order packages	Show change order package	X	
Construction Financials: Change Orders	Change order packages	Update change order package		X
Construction Financials: Change Orders	Change order requests	Create change order request		X
Construction Financials: Change Orders	Change order requests	List change order requests	X	
Construction Financials: Change Orders	Change order requests	Show change order request	X	
Construction Financials: Change Orders	Change order requests	Update change order request		X
Construction Financials: Change Orders	Potential change orders	Create potential change order		X
Construction Financials: Change Orders	Potential change orders	List potential change orders	X	
Construction Financials: Change Orders	Potential change orders	Show potential change orders	X	
Construction Financials: Change Orders	Potential change orders	Update potential change order		X
Construction Financials: Commitments	Billing periods	Create billing period		X
Construction Financials: Commitments	Billing periods	Delete billing period		X
Construction Financials: Commitments	Billing periods	List billing periods	X	
Construction Financials: Commitments	Billing periods	Update billing period		X
Construction Financials: Commitments	Commitment change orders	Create commitment change order		X
Construction Financials: Commitments	Commitment change orders	Delete commitment change order		X
Construction Financials: Commitments	Commitment change orders	Show all commitment change orders	X	
Construction Financials: Commitments	Commitment change orders	Update commitment change order		X
Construction Financials: Commitments	Commitment contracts	Create commitment contract		X
Construction Financials: Commitments	Commitment contracts	Delete commitment contract		X
Construction Financials: Commitments	Commitment contracts	List commitment contracts	X	
Construction Financials: Commitments	Commitment contracts	Show commitment contract	X	
Construction Financials: Commitments	Commitment contracts	Update commitment contract		X
Construction Financials: Commitments	Purchase order contracts	Create purchase order contract		X
Construction Financials: Commitments	Purchase order contracts	Delete purchase order contract		X
Construction Financials: Commitments	Purchase order contracts	List of purchase order contracts	X	
Construction Financials: Commitments	Purchase order contracts	Show purchase order contract	X	
Construction Financials: Commitments	Purchase order contracts	Update purchase order contract		X
Construction Financials: Commitments	RFQs	Create RFQ		X
Construction Financials: Commitments	RFQs	Delete RFQ		X
Construction Financials: Commitments	RFQs	List RFQs	X	
Construction Financials: Commitments	RFQs	Show RFQ	X	
Construction Financials: Commitments	RFQs	Update RFQ		X
Construction Financials: Commitments	Work order contracts	Create work order contract		X
Construction Financials: Commitments	Work order contracts	Delete work order contract		X
Construction Financials: Commitments	Work order contracts	List work order contracts	X	
Construction Financials: Commitments	Work order contracts	Show work order contract	X	
Construction Financials: Commitments	Work order contracts	Update work order contract		X
Construction Financials: Prime Contracts	Payment applications owner invoices	Create payment application for prime contract		X
Construction Financials: Prime Contracts	Payment applications owner invoices	Delete a payment application		X
Construction Financials: Prime Contracts	Payment applications owner invoices	List payment applications for a project	X	
Construction Financials: Prime Contracts	Payment applications owner invoices	Show payment application	X	
Construction Financials: Prime Contracts	Payment applications owner invoices	Update payment application for prime contract		X
Construction Financials: Prime Contracts	Prime change orders	Create prime change order		X
Construction Financials: Prime Contracts	Prime change orders	Delete prime change order		X
Construction Financials: Prime Contracts	Prime change orders	Show all prime change orders	X	
Construction Financials: Prime Contracts	Prime change orders	Update prime change order		X
Construction Financials: Prime Contracts	Prime contract line items	Create prime contract line item		X
Construction Financials: Prime Contracts	Prime contract line items	Delete a prime contract line item		X
Construction Financials: Prime Contracts	Prime contract line items	List prime contract line items	X	
Construction Financials: Prime Contracts	Prime contract line items	Show prime contract line item	X	
Construction Financials: Prime Contracts	Prime contract line items	Update prime contract line item		X
Construction Financials: Prime Contracts	Prime contracts	Create prime contract		X
Construction Financials: Prime Contracts	Prime contracts	Delete prime contract		X
Construction Financials: Prime Contracts	Prime contracts	List all prime contracts	X	
Construction Financials: Prime Contracts	Prime contracts	Show prime contract	X	
Construction Financials: Prime Contracts	Prime contracts	Update prime contract		X
Construction Financials: Tax	Tax codes	Create tax code		X

## Available Procore APIs

Category	Resource	API Endpoint	Export	Import
Construction Financials: Tax	Tax codes	List tax codes	X	
Construction Financials: Tax	Tax codes	Show tax code	X	
Construction Financials: Tax	Tax codes	Update tax code		X
Construction Financials: Tax	Tax types	Create tax type		X
Construction Financials: Tax	Tax types	Delete tax type		X
Construction Financials: Tax	Tax types	List tax types	X	
Construction Financials: Tax	Tax types	Show tax type	X	
Construction Financials: Tax	Tax types	Update tax type		X
Construction Financials: Units of Measure	Units of measure	Create unit of measure		X
Construction Financials: Units of Measure	Units of measure	Delete unit of measure		X
Construction Financials: Units of Measure	Units of measure	List units of measure	X	
Construction Financials: Units of Measure	Units of measure	Show unit of measure	X	
Construction Financials: Units of Measure	Units of measure	Update unit of measure		X
Construction Financials: WBS	Cost codes	Create cost code		X
Construction Financials: WBS	Cost codes	Create standard cost code		X
Construction Financials: WBS	Cost codes	List cost codes	X	
Construction Financials: WBS	Cost codes	Show cost code	X	
Construction Financials: WBS	Cost codes	Update cost code		X
Construction Financials: WBS	Segment items	Create company segment item		X
Construction Financials: WBS	Segment items	Create project segment item		X
Construction Financials: WBS	Segment items	Delete company segment item		X
Construction Financials: WBS	Segment items	Delete project segment item		X
Construction Financials: WBS	Segment items	List company segment items	X	
Construction Financials: WBS	Segment items	List project segment items	X	
Construction Financials: WBS	Segment items	Update company segment item		X
Construction Financials: WBS	Segment items	Update project segment item		X
Construction Financials: WBS	Sub jobs	Create sub job		X
Construction Financials: WBS	Sub jobs	Delete sub job		X
Construction Financials: WBS	Sub jobs	List sub jobs	X	
Construction Financials: WBS	Sub jobs	Show sub job	X	
Construction Financials: WBS	Sub jobs	Update sub job		X
Core: Directory	Company insurances	Create company insurance		X
Core: Directory	Company insurances	Delete company insurance		X
Core: Directory	Company insurances	List company insurances	X	
Core: Directory	Company insurances	Show company insurance	X	
Core: Directory	Company insurances	Update company insurance		X
Core: Directory	Company people	Create company person		X
Core: Directory	Company people	List company people	X	
Core: Directory	Company people	Update company person		X
Core: Directory	Company users	Create company user		X
Core: Directory	Company users	List company users	X	
Core: Directory	Company users	Show company user	X	
Core: Directory	Company users	Show current company user	X	
Core: Directory	Company users	Sync company users		X
Core: Directory	Company users	Update company user		X
Core: Directory	Company vendors	Create company vendor		X
Core: Directory	Company vendors	List company vendors	X	
Core: Directory	Company vendors	Show company vendor	X	
Core: Directory	Company vendors	Sync company vendors		X
Core: Directory	Company vendors	Update company vendor		X
Core: Directory	Crews	Create a new crew		X
Core: Directory	Crews	Delete a crew		X
Core: Directory	Crews	List all project crews	X	
Core: Directory	Crews	Show a crew	X	
Core: Directory	Crews	Update a crew		X
Core: Directory	Departments	Create department		X
Core: Directory	Departments	Delete department		X
Core: Directory	Departments	List departments	X	
Core: Directory	Departments	Show department	X	
Core: Directory	Departments	Update department		X
Core: Directory	Project insurances	Create project insurance		X
Core: Directory	Project insurances	Delete project insurance		X
Core: Directory	Project insurances	List project insurances	X	
Core: Directory	Project insurances	Show project insurance	X	
Core: Directory	Project insurances	Update project insurance		X
Core: Directory	Project memberships	Bulk create project memberships		X
Core: Directory	Project memberships	Bulk remove project memberships		X
Core: Directory	Project memberships	Create project membership		X

## Available Procore APIs

Category	Resource	API Endpoint	Export	Import
Core: Directory	Project memberships	Delete project membership		X
Core: Directory	Project memberships	List project memberships	X	
Core: Directory	Project users	Create project user		X
Core: Directory	Project users	List project users	X	
Core: Directory	Project users	Remove a user from the project		X
Core: Directory	Project users	Show project user	X	
Core: Directory	Project users	Update project user		X
Core: Directory	Project vendors	Add to project		X
Core: Directory	Project vendors	Create project vendor		X
Core: Directory	Project vendors	Delete from project		X
Core: Directory	Project vendors	List project vendors	X	
Core: Directory	Project vendors	Show project vendor	X	
Core: Directory	Project vendors	Update project vendor		X
Core: Documents	Company folders and files	Create company file		X
Core: Documents	Company folders and files	Create company folder		X
Core: Documents	Company folders and files	Delete company file		X
Core: Documents	Company folders and files	Delete company folder		X
Core: Documents	Company folders and files	List company folders and files	X	
Core: Documents	Company folders and files	Show company file	X	
Core: Documents	Company folders and files	Show company folder	X	
Core: Documents	Company folders and files	Update company file		X
Core: Documents	Company folders and files	Update company folder		X
Core: Documents	Project folders and files	Create project file		X
Core: Documents	Project folders and files	Create project folder		X
Core: Documents	Project folders and files	Delete project file		X
Core: Documents	Project folders and files	Delete project folder		X
Core: Documents	Project folders and files	List project folders and files	X	
Core: Documents	Project folders and files	Show project file	X	
Core: Documents	Project folders and files	Update project file		X
Core: Portfolio	Projects	Create project		X
Core: Portfolio	Projects	List projects	X	
Core: Portfolio	Projects	Show project	X	
Core: Portfolio	Projects	Update project		X
Core: Project	Locations	Create location		X
Core: Project	Locations	Delete location		X
Core: Project	Locations	List locations	X	
Core: Project	Locations	Show location	X	
Core: Project	Locations	Update location		X
Core: Project	Project dates	Creates or updates project date		X
Core: Project	Project dates	List project dates	X	
Core: Project	Project roles	Create project role		X
Core: Project	Project roles	Delete project role		X
Core: Project	Project roles	List project roles	X	
Core: Project	Project tools	List project tools	X	
Core: Project	Project tools	Update project tools		X
Core: Tasks	Task items	Create task item		X
Core: Tasks	Task items	Destroy task item		X
Core: Tasks	Task items	List task items	X	
Core: Tasks	Task items	Show task item	X	
Core: Tasks	Task items	Update task item		X
Core: Workflows	Workflow instances project	Create a project workflow instance		X
Core: Workflows	Workflow instances project	Get a project workflow instance	X	
Core: Workflows	Workflow instances project	List project workflow instances	X	
Core: Workflows	Workflow instances project	Restart a project workflow instance		X
Core: Workflows	Workflow instances project	Terminate a project workflow instance		X
Core: Workflows	Workflow instances project	List workflow instances history (project)	X	
Core: Workflows	Workflow instances project	Show workflow instance step history (project)	X	
Core: Workflows	Workflow instances company	List workflow instances history (company)	X	
Core: Workflows	Workflow instances company	Show workflow instance step history (company)	X	
Core: Workflows	Workflow templates	List workflow templates	X	
Platform Developer Tools: App Marketplace	App configurations	Create app configuration		X
Platform Developer Tools: App Marketplace	App configurations	Delete app configuration		X
Platform Developer Tools: App Marketplace	App configurations	List app configurations	X	
Platform Developer Tools: App Marketplace	App configurations	Show app configuration	X	
Platform Developer Tools: App Marketplace	App configurations	Update app configuration		X
Platform Developer Tools: App Marketplace	App installations	Create app installation		X
Platform Developer Tools: App Marketplace	App installations	List app installations	X	
Platform Developer Tools: App Marketplace	App installations	Show app installation	X	

## Available Procore APIs

Category	Resource	API Endpoint	Export	Import
Platform Developer Tools: App Marketplace	App installations	Update app installation		X
Platform Developer Tools: Webhooks	Hooks	Create company webhooks hook		X
Platform Developer Tools: Webhooks	Hooks	Create project webhooks hook		X
Platform Developer Tools: Webhooks	Hooks	Delete company webhooks hook		X
Platform Developer Tools: Webhooks	Hooks	Delete project webhooks hook		X
Platform Developer Tools: Webhooks	Hooks	List company webhooks hooks	X	
Platform Developer Tools: Webhooks	Hooks	List project webhooks hooks	X	
Platform Developer Tools: Webhooks	Hooks	Update company webhooks hook		X
Platform Developer Tools: Webhooks	Hooks	Update project webhooks hook		X
Preconstruction: BIM	BIM files	Create BIM file		X
Preconstruction: BIM	BIM files	Delete BIM file		X
Preconstruction: BIM	BIM files	List BIM files	X	
Preconstruction: BIM	BIM files	Show BIM file	X	
Preconstruction: BIM	BIM files	Update BIM file		X
Preconstruction: BIM	BIM models	Create BIM model		X
Preconstruction: BIM	BIM models	Delete BIM model		X
Preconstruction: BIM	BIM models	List BIM models	X	
Preconstruction: BIM	BIM models	Show BIM model	X	
Preconstruction: BIM	BIM models	Update BIM model		X
Preconstruction: BIM	BIM model revisions	Create BIM model revision		X
Preconstruction: BIM	BIM model revisions	Delete BIM model revision		X
Preconstruction: BIM	BIM model revisions	List BIM model revisions	X	
Preconstruction: BIM	BIM model revisions	Show BIM model revision	X	
Preconstruction: BIM	BIM model revisions	Update BIM model revision		X
Preconstruction: BIM	BIM levels	Create BIM level		X
Preconstruction: BIM	BIM levels	Delete BIM level		X
Preconstruction: BIM	BIM levels	List BIM levels	X	
Preconstruction: BIM	BIM levels	Show BIM level	X	
Preconstruction: BIM	BIM levels	Update BIM level		X
Preconstruction: Bid Management	Bids	Create bid		X
Preconstruction: Bid Management	Bids	List bids within a project	X	
Preconstruction: Bid Management	Bids	Show a bid within a project	X	
Preconstruction: Bid Management	Bids	Update a bid from a bid package		X
Preconstruction: Bid Management	Project bid packages	Create bid package		X
Preconstruction: Bid Management	Project bid packages	List bid packages	X	
Preconstruction: Bid Management	Project bid packages	Show bid package	X	
Preconstruction: Bid Management	Project bid packages	Update bid package		X
Project Management: Action Plans	Action plans	Bulk create action plans from template		X
Project Management: Action Plans	Action plans	Create action plan		X
Project Management: Action Plans	Action plans	Delete action plan		X
Project Management: Action Plans	Action plans	List action plans	X	
Project Management: Action Plans	Action plans	Show action plan	X	
Project Management: Action Plans	Action plans	Update action plan		X

Project Management: Action Plans	Company action plan templates	Show company action plan template	X	
Project Management: Action Plans	Company action plan templates	Update a company action plan template		X
Project Management: Coordination Issues	Coordination issues	Create coordination issue		X
Project Management: Coordination Issues	Coordination issues	Delete coordination issue		X
Project Management: Coordination Issues	Coordination issues	List coordination issues	X	
Project Management: Coordination Issues	Coordination issues	Show coordination issue	X	
Project Management: Coordination Issues	Coordination issues	Update coordination issue		X
Project Management: Daily Log	Accident logs	Create accident log		X
Project Management: Daily Log	Accident logs	Delete accident log		X
Project Management: Daily Log	Accident logs	List accident logs	X	
Project Management: Daily Log	Accident logs	Show accident logs	X	
Project Management: Daily Log	Accident logs	Update accident log		X
Project Management: Daily Log	Daily construction report logs	Create daily construction report log		X
Project Management: Daily Log	Daily construction report logs	Delete daily construction report log		X
Project Management: Daily Log	Daily construction report logs	List daily construction report logs	X	
Project Management: Daily Log	Daily construction report logs	Update daily construction report log		X
Project Management: Daily Log	Delay logs	Create delay log		X
Project Management: Daily Log	Delay logs	Delete delay log		X
Project Management: Daily Log	Delay logs	List delay logs	X	
Project Management: Daily Log	Delay logs	Update delay log		X
Project Management: Daily Log	Manpower logs	Create manpower log		X
Project Management: Daily Log	Manpower logs	Delete manpower log		X

## Available Procore APIs

Category	Resource	API Endpoint	Export	Import
Project Management: Daily Log	Manpower logs	List manpower logs	X	
Project Management: Daily Log	Manpower logs	Update manpower log		X
Project Management: Daily Log	Notes logs	Create notes log		X
Project Management: Daily Log	Notes logs	Delete notes log		X
Project Management: Daily Log	Notes logs	List notes logs	X	
Project Management: Daily Log	Notes logs	Update notes log		X
Project Management: Daily Log	Weather logs	Create weather log		X
Project Management: Daily Log	Weather logs	Delete weather log		X
Project Management: Daily Log	Weather logs	List weather logs	X	
Project Management: Daily Log	Weather logs	Update weather log		X
Project Management: Daily Log	Work logs	Create work log		X
Project Management: Daily Log	Work logs	Delete work log		X
Project Management: Daily Log	Work logs	List work logs	X	
Project Management: Daily Log	Work logs	Update work log		X
Project Management: Drawings	Drawing areas	Create drawing area		X
Project Management: Drawings	Drawing areas	Delete a drawing area		X
Project Management: Drawings	Drawing areas	List drawing areas	X	
Project Management: Drawings	Drawing areas	Update a drawing area		X
Project Management: Drawings	Drawings	Create drawing		X
Project Management: Drawings	Drawings	Create drawing set		X
Project Management: Drawings	Drawings	Delete drawing set		X
Project Management: Drawings	Drawings	List drawing revisions	X	
Project Management: Drawings	Drawings	List drawing sets	X	
Project Management: Drawings	Drawings	List drawings	X	
Project Management: Drawings	Drawings	Show drawing revision	X	
Project Management: Drawings	Drawings	Update drawing		X
Project Management: Drawings	Drawings	Update drawing revision		X
Project Management: Drawings	Drawings	Update drawing set		X
Project Management: Emails	Email communications	Create email		X
Project Management: Emails	Email communications	Create email communication		X
Project Management: Emails	Email communications	Export email communication to PDF	X	
Project Management: Emails	Email communications	List of emails	X	
Project Management: Emails	Email communications	Show email communication	X	
Project Management: Emails	Email communications	Update a private field in email communication		X
Project Management: Field Productivity	Actual production quantities	Bulk create actual production quantities		X
Project Management: Field Productivity	Actual production quantities	Create actual production quantity		X
Project Management: Field Productivity	Actual production quantities	Delete actual production quantity		X
Project Management: Field Productivity	Actual production quantities	List all actual production quantities	X	
Project Management: Field Productivity	Actual production quantities	Update actual production quantity		X
Project Management: Field Productivity	Materials	Bulk create materials		X
Project Management: Field Productivity	Materials	Bulk delete materials		X
Project Management: Field Productivity	Materials	Create material		X
Project Management: Field Productivity	Materials	Delete material		X
Project Management: Field Productivity	Materials	List materials	X	
Project Management: Field Productivity	Materials	Show material	X	
Project Management: Field Productivity	Materials	Update material		X
Project Management: Field Productivity	Timecard entries	Create timecard entry		X
Project Management: Field Productivity	Timecard entries	Delete timecard entry		X
Project Management: Field Productivity	Timecard entries	List timecard entries	X	
Project Management: Field Productivity	Timecard entries	Show timecard entry	X	
Project Management: Field Productivity	Timecard entries	Update timecard entry		X
Project Management: Field Productivity	Timesheets	Bulk create timecard entries		X
Project Management: Field Productivity	Timesheets	Create timesheet		X
Project Management: Field Productivity	Timesheets	Delete timesheet		X
Project Management: Field Productivity	Timesheets	List all timesheets	X	
Project Management: Field Productivity	Timesheets	Show a timesheet	X	
Project Management: Field Productivity	Timesheets	Update timesheet		X
Project Management: Field Productivity	Timesheets	Update timesheet status		X
Project Management: Forms	Forms	Create form		X
Project Management: Forms	Forms	Delete form		X
Project Management: Forms	Forms	List forms on a project	X
